Dear Ms. Saldana,

I am legal counsel for Vinmar International, Ltd. ("Vinmar"), which is holder of the largest claim against the estate of Amit Kumar Bansal. The claim is a $35.7 million claim based on a judgment against the Debtor that we contend is not dischargeable.

A short while ago, at about 6:00 p.m., the Chapter 7 Trustee's counsel Ms. Goott filed a motion styled as Agreed Motion for Payment of Valuation Related to Tricon Interest ("ECF No. 37").   My client had not seen that motion prior to its filing, has concerns about the valuation process, and wishes to file a limited objection to ensure that the Court is informed of Vinmar's concerns before ruling on the motion.   Please inform Judge López that Vinmar intends to file its limited objection to the motion within the next 48 hours.

Thank you.

Mark
